### 3.45 SPECIAL ACCOMMODATIONS

(a) In accordance with the Americans with Disabilities Act (ADA), every registration examination must be conducted in an accessible place and manner, or alternative accessible arrangements must be afforded so that no qualified individual with a disability is unreasonably denied the opportunity to complete the licensure process because of his/her disability.

(b) Special accommodations can be provided for examinees with physical or mental impairments that substantially limit major life activities. Available accommodations include the modification of examination procedures and the provision of auxiliary aids and services designed to furnish an individual with a disability an equal opportunity to demonstrate his/her knowledge, skills, and ability.

(c) The Board is not required to approve every request for accommodation or auxiliary aid or provide every accommodation or service as requested. The Board is not required to grant a request for accommodation if doing so would fundamentally alter the measurement of knowledge or the measurement of a skill intended to be tested by the examination or would create an undue financial or administrative burden.

(d) Procedure for requesting accommodation:

(1) To protect the integrity of the testing process, an Applicant requesting an accommodation must submit documentation regarding the existence of a disability and the reason the requested accommodation is necessary to provide the Applicant with an equal opportunity to exhibit his/her knowledge, skills, and ability through the examination. The Board shall evaluate each request on a case-by-case basis.

(2) An Applicant requesting an accommodation must have a licensed health care professional or other qualified evaluator provide certification regarding the disability as described in subsection (e) of this section.

(3) An Applicant seeking an accommodation must make a request for accommodation on the prescribed form and provide documentation of the need for accommodation well in advance of the examination date. If the form is submitted less than sixty (60) days prior to the examination date, the Board will attempt to process the request but might not be able to provide the necessary accommodation for the next examination.

(e) The following information is required to support a request for an accommodation or an auxiliary aid:

(1) Identification of the type of disability (physical, mental, learning);

(2) Credential requirements of the evaluator:

(A) For physical or mental disabilities (not including learning), the evaluator shall be a licensed health care professional qualified to assess the type of disability claimed. If a person who does not fit these criteria completes the evaluation, the Board may reject the evaluation and require another evaluation, and the request for accommodation may be delayed.

(B) In the case of learning disabilities, a qualified evaluator shall have sufficient experience to be considered qualified to evaluate the existence of learning disabilities and proposed accommodations needed for specific learning disabilities. The evaluator shall be one of the following:

(i) a licensed physician or psychologist with a minimum of three years' experience working with adults with learning disabilities; or

(ii) another professional who possesses a master's or doctorate degree in special education or educational psychology and who has at least three years of equivalent training and experience in all of the areas described below:

(I) assessing intellectual ability and interpreting tests of such ability;

(II) screening for cultural, emotional, and motivational factors;

(III) assessing achievement level; and

(IV) administering tests to measure attention and concentration, memory, language reception and expression, cognition, reading, spelling, writing, and mathematics.

(3) Professional verification of the disability, which shall include a description of:

- (A) the nature and extent of the disability, including a description of its effect on major life activities and the anticipated duration of the impairment;
- (B) the effect of the disability on the applicant's ability to:
  - (i) evaluate written material;
  - (ii) complete graphic sections of the examination by drawing, drafting, and lettering; and
  - (iii) complete computerized sections of the examination that require data entry via keyboard and the manipulation of a mouse.
- (C) whether the disability limits the amount of time the Applicant can spend on specific examination tasks;
- (D) the recommended accommodation and how it relates to the applicant's disability;
- (E) the professional's name, title, telephone number, and his/her original signature;
- (F) any other information necessary, in the professional's opinion, to enable the exam provider to understand the examinee's disability and the accommodation necessary to enable the examinee to demonstrate his/her knowledge, skills, and ability.
- (f) Documentation supporting an accommodation shall be valid for five (5) years from the date submitted to the Board except that no further documentation shall be required where the original documentation clearly states that the disability will not change in the future.
- (g) The Board has the responsibility to evaluate each request for accommodation and to approve, deny, or suggest alternative reasonable accommodations. The Board may consider an Applicant's history of accommodation in determining its reasonableness in relation to the currently identified impact of the disability.
- (h) Information related to a request for accommodation shall be kept confidential to the extent provided by law.

3.141 GENERAL

(a) These rules of professional conduct are promulgated pursuant to the Landscape Architects' Registration Law (the Act), Chapters 1051 and 1052, Texas Occupations Code which directs the Board to make all rules consistent with the laws and constitution of Texas which are reasonably necessary for the regulation of the practice of landscape architecture and the enforcement of the Act. Except as otherwise noted, these rules of professional conduct apply only to situations which are directly or indirectly related to the practice of landscape architecture.

(b) The Board may revoke, suspend, or refuse to renew a Landscape Architect's certificate of registration, place on probation a Landscape Architect whose certificate of registration has been suspended, reprimand a Landscape Architect, or assess an administrative penalty against a Landscape Architect for a violation of any provision of these rules of professional conduct or other provisions of the Rules and Regulations of the Board or the Act. The Board also may take action against an Applicant pursuant to section 3.151. A single instance of misconduct may be grounds for disciplinary action by the Board.

(c) Upon a finding of professional misconduct, the Board shall consider the following factors in determining an appropriate sanction or sanctions:

- (1) the seriousness of the conduct, including the hazard or potential hazard to the health or safety of the public;
- (2) the economic damage or potential damage to property caused by the misconduct;
- (3) the respondent's history concerning previous grounds for sanction;
- (4) the sanction necessary to deter future misconduct;
- (5) efforts to correct the misconduct; and
- (6) any other matter justice may require.

(d) These rules of professional conduct are not intended to suggest or define standards of care in civil actions against Landscape Architects involving their professional conduct.

(e) A Landscape Architect may donate his/her services to charitable causes but must adhere to all provisions of the Act and the Rules and Regulations of the Board in the provision of all landscape architectural services rendered regardless of whether the Landscape Architect is paid for the services.

*Note: The provisions of this §3.141 adopted to be effective March 1, 2001, 26 TexReg 1720; amended to be effective July 5, 2004, 29 TexReg 6284; amended to be effective March 20, 2009, 34 TexReg 1851.*

3.142 COMPETENCE

(a) A Landscape Architect shall undertake to perform a professional service only when the Landscape Architect, together with those whom the Landscape Architect shall engage as consultants, is qualified by education and/or experience in the specific technical areas involved. During the delivery of a professional service, a Landscape Architect shall act with reasonable care and competence and shall apply the technical knowledge and skill which is ordinarily applied by reasonably prudent landscape architects practicing under similar circumstances and conditions.

(b) A Landscape Architect shall not affix his/her signature or seal to any landscape architectural plan or document dealing with subject matter in which he/she is not qualified by education and/or experience to form a reasonable judgment.

(c) "Gross Incompetency" shall be grounds for disciplinary action by the Board. A Landscape Architect may be found guilty of "Gross Incompetency" under any of the following circumstances:

(1) the Landscape Architect has engaged in conduct that provided evidence of an inability or lack of skill or knowledge necessary to discharge the duty and responsibility required of a Landscape Architect;

(2) the Landscape Architect engaged in conduct which provided evidence of an extreme lack of knowledge of, or an inability or unwillingness to apply, the principles or skills generally expected of a reasonably prudent landscape architect under the same or similar circumstances and conditions;

(3) the Landscape Architect has been adjudicated mentally incompetent by a court; or

(4) pursuant to section 3.150(b) (relating to substance abuse.)

*Note: The provisions of this §3.142 adopted to be effective March 1, 2001, 26 TexReg 1720; amended to be effective March 3, 2013, 38 TexReg 1182.*

### 3.143 RECKLESSNESS

(a) A Landscape Architect shall not practice landscape architecture in any manner which, when measured by generally accepted landscape architectural standards or procedures, is reasonably likely to result or does result in the endangerment of the safety, health, or welfare of the public.

(b) "Recklessness" shall be grounds for disciplinary action by the Board. "Recklessness" shall include the following practices:

(1) conduct which indicates that the Landscape Architect is aware of yet consciously disregards a substantial risk of such a nature that its disregard constitutes a significant deviation from the standard of care that a reasonably prudent landscape architect would exercise under the circumstances;

(2) knowing failure to exercise ordinary care and attention toward the intended result when a procedure, technique, material, or system is employed as a result of a decision made by the Landscape Architect and such failure jeopardizes any person's health, safety, or welfare; or

(3) action which demonstrates a conscious disregard for compliance with a statute, regulation, code, ordinance, or recognized standard applicable to the design or construction of a particular project when such disregard jeopardizes any person's health, safety, or welfare.

*Note: The provisions of this §3.143 adopted to be effective March 1, 2001, 26 TexReg 1720.*

### 3.144 DISHONEST PRACTICE

(a) A Landscape Architect may not directly or indirectly perform an act, omit an act or allow an omission, make an assertion, or otherwise engage in a practice with the intent to:

(1) defraud,

(2) deceive, or

(3) create a misleading impression.

(b) A Landscape Architect may not advertise in a manner which is false, misleading, or deceptive.

(c) A Landscape Architect may not directly or indirectly solicit, offer, give, or receive anything or any service of significant value as an inducement or reward to secure any specific publicly funded landscape architectural work. A Landscape Architect may not give landscape architectural plans, design services, pre-bond referendum services, or any other goods or services of significant value to a governmental entity in response to a request for qualifications, a request for proposals, or otherwise during the process to select a Landscape Architect to render publicly funded landscape architectural work.

The term "significant value" is defined to mean any act, article, money, or other material consideration which is of such value or proportion that its offer or acceptance would affect the governmental entity's selection of a Landscape Architect or would create the appearance of an obligation or bias on the part of the governmental entity to select the Landscape Architect to perform the landscape architectural work.

(d) For purposes of this section, a Landscape Architect's conduct is intentional, or with intent, if the nature of the conduct or a reasonable result of the conduct demonstrates a conscious objective or desire to engage in the conduct or cause the result. A Landscape Architect's intent or knowledge may be established by circumstantial evidence.

**Note:** The provisions of this §3.144 adopted to be effective March 1, 2001, 26 TexReg 1720, amended to be effective July 18, 2007, 32 TexReg 4395; amended to be effective March 3, 2013, 38 TexReg 1183; amended to be effective November 23, 2014, 39 TexReg 9007.

### 3.145 CONFLICTS OF INTEREST

(a) If a Landscape Architect has any business association or financial interest which might reasonably appear to influence the Landscape Architect's judgment in connection with the performance of a professional service and thereby jeopardize an interest of the Landscape Architect's current or prospective client or employer, the Landscape Architect shall promptly inform the client or employer in writing of the circumstances of the business association or financial interest.

(b) A Landscape Architect shall not solicit or accept, directly or indirectly, any financial or other valuable consideration, material favor, or other benefit of any substantial nature, financial or otherwise, from more than one party in connection with a single project or assignment unless the circumstances are fully disclosed in writing to all parties.

(c) A Landscape Architect shall not solicit or accept, directly or indirectly, any financial or other valuable consideration, material favor, or other benefit of any substantial nature from any supplier of materials or equipment or from any contractor or any consultant in connection with any project on which the Landscape Architect is performing or has contracted to perform landscape architectural services unless the circumstances are fully disclosed in writing to all parties.

(d) The phrase "benefit of any substantial nature" is defined to mean any act, article, money, or other material consideration which is of such value or proportion that its acceptance creates an obligation or the appearance of an obligation on the part of the Landscape Architect or otherwise could adversely affect the Landscape Architect's ability to exercise his/her own judgment without regard to such benefit.

**Note:** The provisions of this §3.145 adopted to be effective March 1, 2001, 26 TexReg 1720; amended to be effective March 29, 2007, 32 TexReg 1746.

### 3.146 RESPONSIBILITY TO THE LANDSCAPE ARCHITECTURAL PROFESSION

(a) A Landscape Architect shall not:

(1) knowingly participate, directly or indirectly, in any plan, scheme, or arrangement having as its purpose the violation of any provision of the Act or any provision of the Rules and Regulations of the Board;

(2) aid or abet, directly or indirectly:

(A) any unregistered person in connection with the unauthorized practice of landscape architecture;

(B) any business entity in the practice of landscape architecture unless carried on in accordance with the Act; or

(C) any person or any business entity in the use of a professional seal or other professional identification so as to create the opportunity for the unauthorized practice of landscape architecture by any person or any business entity;

(3) fail to exercise reasonable care or diligence to prevent his/her partners, associates, shareholders, and employees from engaging in conduct which, if done by him/her, would violate any provision of the Act or any provision of the Rules and Regulations of the Board.

(4) If the executive director determines the conviction might be directly related to the duties and responsibilities of a Landscape Architect, the Board's staff will obtain sufficient details regarding the conviction to allow the Board to determine the effect of the conviction on the Applicant's eligibility for registration or on the Registrant's fitness for continued registration.

(c) In determining whether a criminal conviction is directly related to the duties and responsibilities of a Landscape Architect, the executive director and the Board will consider the following:

(d) In addition to the factors that may be considered under subsection (c) of this section, the executive director and the Board shall consider the following:

(f) The Board shall revoke the certificate of registration of any Registrant who is convicted of any felony if the felony conviction results in incarceration. The Board also shall revoke the certificate of registration of any Registrant whose felony probation, parole, or mandatory supervision is revoked.

(g) If an Applicant is incarcerated as the result of a felony conviction, the Board may not approve the Applicant for registration during the period of incarceration. If an Applicant's felony probation, parole, or mandatory supervision is revoked, the Board may not approve the Applicant for registration until the Applicant successfully completes the sentence imposed as a result of the revocation.

(h) If the Board takes action against any Applicant or Registrant pursuant to this section, the Board shall provide the Applicant or Registrant with the following information in writing:

(b) A Landscape Architect's abuse of alcohol or a controlled substance that results in the impairment of the Landscape Architect's professional skill so as to cause a direct threat to the property, safety, health, or welfare of the public may be deemed "Gross Incompetency" and may be grounds for the indefinite suspension of a Landscape Architect's certificate of registration until such time as he or she is able to demonstrate to the Board's satisfaction that the reasons for suspension no longer exist and that the termination of the suspension would not endanger the public.

(c) In order to determine whether abuse of alcohol or a controlled substance contributed to a violation or has resulted in "gross incompetency," the Board may order an examination by one or more health care providers trained in the diagnosis or treatment of substance abuse.

*Note: The provisions of this §3.150 adopted to be effective March 1, 2001, 26 TexReg 1720.*

(b) An "enforcement proceeding" is initiated by the commencement of an investigation that is based either on a formal complaint filed with the Board or on information presented to the Board that establishes probable cause for a belief in the existence of facts that would constitute a violation of the Act or the Rules and Regulations of the Board.

- (e) If an application is denied pursuant to subsection (c) or subsection (d) of this section, the Applicant may not subsequently be approved for registration unless the Applicant:
- (1) demonstrates that he/she has taken reasonable steps to correct the misconduct or deficiency that led to the denial of the previous application;
  - (2) demonstrates that approval of the application is not inconsistent with the Board's duty to protect the public by ensuring that registrants are duly qualified and fit for registration; and

(a) SOAH shall conduct formal hearings in accordance with the APA, the Rules of Procedure of SOAH, the Landscape Architects' Registration Law, the Rules and Regulations of the Board, and case law, provided that:

(1) an administrative law judge may, by order, modify the requirements of the Rules of Procedure of SOAH and supplement other procedural requirements of law to promote the fair and efficient handling of a Contested Case; and

(2) an administrative law judge may modify the procedural requirements of the Rules of Procedure of SOAH in appropriate cases to facilitate resolution of issues if doing so does not prejudice any of a party's rights or contravene applicable statutes.

(b) If there is any conflict between the Rules and Regulations of the Board or a prior decision of the Board and any of the statutory provisions applicable to a Contested Case, the statute controls.

(c) Not all contested procedural issues may be susceptible to resolution by reference to the APA and other applicable statutes, the Rules of Procedure of SOAH, the Rules and Regulations of the Board, and case law. When they are not, the presiding administrative law judge shall consider the Texas Rules of Civil Procedure (TRCP) as interpreted and construed by Texas case law, and shall

consider persuasive authority established in other forums in order to issue orders and rulings that are just in the circumstances of the Contested Case.

### 3.234 SUSPENSION OF REGISTRATION

(a) If suspension of a person's registration is the appropriate sanction for a violation of a statutory provision or rule enforced by the Board, the Board and the administrative law judge shall apply the following guidelines to determine whether the suspension will be active or probated:

(1) The Board and the administrative law judge shall impose an active suspension upon a finding that the respondent:

(A) violated a statutory provision or rule enforced by the Board that demonstrated gross negligence or recklessness, or the conduct posed a serious threat to the health or safety of the public;

(B) violated a statutory provision or rule enforced by the Board which caused economic damage to property in excess of \$1,000;

(C) committed a violation of a statutory provision or rule enforced by the Board while the respondent's registration was on probated suspension;

(D) has a sanction history including at least two findings by the Board that the respondent engaged in conduct for which the respondent's registration could have been suspended or revoked pursuant to Section 3.232; or

(E) would likely engage in the practice of Landscape Architecture in a manner that does not comply with a standard or practice normally followed by a reasonably prudent Landscape Architect under the same or similar circumstances.

(b) A person whose registration is under active suspension may not engage in the Practice of Landscape Architecture. A person whose registration is under active suspension may not Supervise and Control or have Responsible Charge over the Practice of Landscape Architecture by another.

(c) The Board may impose any of the following terms and conditions upon the practice of a person whose registration is subject to a probated suspension:

(3) limitations on scope of practice;

(4) mandatory Supervision and Control of practice by another registered Landscape Architect; and

(5) successful completion of a rehabilitation program pursuant to Section 3.150.

(d) If a person violates the terms of a probated suspension of registration, the Board may:

(1) prolong the period of probated suspension;

(2) impose an active suspension of registration; or

(3) impose additional terms and conditions upon the probated suspension.

(e) If a person engages in the Practice of Landscape Architecture while the person's registration is subject to an active suspension, the Board may impose any or all of the following:

(1) issue an order restraining any further practice by the person;

(2) impose an administrative penalty;

(3) impose an additional period of suspension; or

(4) revoke the person's certificate of registration.

(f) In addition to fulfilling the terms and conditions of a probated or active suspension of registration, a person must fulfill the requirements of Section 3.178 in order to obtain reinstatement of the person's suspended certificate of registration.
